LET THE MAGIC OF THE MARQUESAS CAPTIVATE YOU - THIS TRULY IS A JOURNEY OF A LIFETIME!

Discover the fascinating history, culture and scenic beauty of French Polynesia's remote Marquesas Islands with Aranui 5. This ruggedly beautiful archipelago has inspired many artists and writers including Paul Gauguin, Jacques Brel and Herman Melville. They remain uncommercialised and naturally stunning.

With just 254 passengers, the Aranui 5 offers a unique cruising experience. Spend your days enjoying fresh local produce, watching the freighter's crew in action as they unload essential supplies to these remote locations, exploring and discovering the islands with the shore excursions (all included in the price) and join in the evening fun as the Aranui team bring out the ukuleles and guitars and sing and dance the night away.

TRAVELLING SOLO HAS NEVER BEEN BETTER

The Aranui 5 is perfect for solo travellers with plenty of opportunity to meet other guests and a friendly and welcoming Tahitian crew, yet there is ample space to find your own quiet nook or time to yourself.

ARANUI 5 - A WORKING SHIP

Besides the stunning destination, any voyage aboard the Aranui 5 is special because this is first and foremost a working ship. Designed to also accommodate a limited number of passengers in comfort, the ship's main purpose is to deliver the supplies, and collect the produce around the remote and beautiful Marquesas. Each voyage may be slightly different as determined by the freight requirements for that date. A truly unique and memorable cruise experience.
